Letter no A5.RB 376/45-46 dt 10.10.46 from the Dy Commr, Kolar DC, recommending that the pay of the two conservancy mastries working in the Chickballapur town mcp may be raised from Rs 15 to Rs 20 pm with effect from 1-7-46

The existing scale of pay of the Sanitary Conservancy mastries in the Chickballapur town mcp is Rs 12-1-15

Venkatachari, Ramaswamy & Govinda Jetty are the three mastries working at present

Karimkhan has put in a service of more than 20 years and is drawing Rs 15 pm since 1940

Ramaswamy has put in a total service of nearly 30 years & is drawing Rs 15 pm since 1941. He is almost on the verge of retirement, his date of birth being 1-7-1892 as entered in the Service Regr.

Govinda Jetty. He was entertained only on 21-4-45 and he is drawing Rs 13 pm in grade Rs 12-1-15

In view of the fact that the two mastries Karimkhan & Ramaswamy have been drawing their maximum pay of Rs 15 each pm for over 4 or 5 years the Chickballapur town mcp at their meeting resolved to raise the pay of the said mastries from Rs 15 to Rs 20 each pm and the Dy Commr requests sanction to the resolution

Nothing has been said as to how the increased pay has to be treated — whether it is personal to the two

Maistries or a proportionate reversion in the scale of Pay

Subject - Revision of pay of the conservancy maistries in Chickballapur Municipality

S i r ,

I have the honour to forward herewith the resolution of the municipa council Chickballapur dated 16-3-45 together with the report of the President No H C 05/45-46 dated nil on the above subject and to state that there are three maistries in the municipality to supervise the work of the sweepers and scavengers At present they are in grade 12-1-15 and two of them karimkhan and Ramaswamy have reached the maximum long bar It is seen from the service registers of these maistries that Karimkhan has put in a total service of more than 20 years and is drawing Rs 15/- per month since 1940 and Ramaswamy has put in a service of nearly 30 years and is drawing Rs 15/- per month since 1941 The other maistry Govinda jetty is getting Rs 13/- and he has not reached the maximum in the grade These two maistries Karimkhan and Ramaswamy having represented before the municipal council to revise their pay in view of their long service and honest work they are doing, the council resolved at their meeting held on 16-3-45 that they may be paid Rs 20/- per month

The president reports that these two maistries have put in long service and they work throughout the day travelling a distance of 4½ of square miles and that they are paid no conveyance allowance, to equip themselves with any conveyance He recommends that the resolution of the municipal council to revise their pay to Rs 20/- may be sanctioned in the interest of sanitation in the town as the pay of Rs 15/- which they are getting now is not sufficient to make both ends meet and that the revision would give an incentive for good and honest work It is seen from the service register that Ramaswamy is almost on the verge of retirement The pay which they are getting now is meagre and the revision proposed is necessary in these hard days of economic depression

In these circumstances I request you to kindly obtain sanction of Government to the resolution of the Council to raise the pay of these two maistries from Rs 15/- to Rs 20/- per month with effect from 1-7-46

from 1-7-1944. The Municipal Council have made provision in the current year's budget to meet the extra cost involved in the revised proposal.

As regards Pantry Devinda Jetty, it may be seen from the service register enclosed for kind reference that he was appointed as Pantry only with effect from 21-4-1943 and he has earned only one increment now. It is therefore premature to consider his case also for promotion now.

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Kolar District.
